Md. Mahim Khan

Student || Naval Architect || Offshore Engineer || Modeler
Dhaka, Bangladesh

Summary

Bangladesh Maritime University provides a strong foundation in naval architecture, where coursework and hands-on projects in offshore engineering fuel a passion for innovative ship design. Active involvement in MUDS as Design & IT Secretary strengthens leadership and graphic design expertise.

Current roles at MUDS and Prothom Alo Bondhushava emphasize collaboration and effective communication, complementing skills in AutoCAD and water supply systems. Motivated to contribute impactful designs and solutions to the maritime industry while advancing academic and professional growth.
